Congratulations to all those elected. The Assembly will meet from July 1st – 18th.

EPC 2011 encouraged others to participate in Provincial Assembly 2013. The conditions governing such participation are outlined in Provincial Newsletter, No.94, Christmas 2011. The key points are: members must write to the Provincial Leader signalling their willingness to participate in the **full duration of the Assembly**; those coming from overseas will **arrange their holiday schedule to coincide** with the Assembly; such participants **may** be given voting rights by the Assembly.

I ask all members to pray for a fruitful outcome to Provincial Assembly 2013.

Yours sincerely

Fachtna O'Driscoll SMA
Provincial Leader
